20MY Legacy/Outback Owner's Manual Supplement

Additional information for the Center Information Display

Please refer to the separate Owner's Manual for information not covered in this supplement.

Please keep this supplement with your Owner's Manual and leave it in the vehicle at the time of resale.

The next owner will need the information it contains.

The function has been changed by the software update of the Center Information Display.

The list of the changes to the Owner's Manual due to this update are below.
